

Dear Class of 2022 Parents and Seniors:

If you wish for your senior's portrait to be featured in the 2022 *Bronze Bayonet* yearbook and the official Olentangy Orange High School class composite, he or she will need to have a head-and-shoulder portrait photographed by HR Imaging. Having HR Imaging photograph all seniors for the yearbook and class composite ensures a complete representation of the Senior Class. Please note that you are not obligated to purchase your senior portraits from HR Imaging; however, any senior not photographed by HR Imaging will not appear in the yearbook or on the class composite.

HR Imaging will be photographing seniors at Olentangy Orange High School on **October 25th**. This official SENIOR DRESS UP DAY will be hosted during the school day. Please keep in mind that this senior image is photographed differently than a student id photo and only senior images will be utilized for our yearbook and class composite. A make-up day will be offered during school on January 7th. All seniors must participate in the original or make up SENIOR day to be included. A proof will be mailed to your home providing you with the opportunity to see your images and select your yearbook/composite pose. However, keep in mind that the opportunity to select your pose after the make-up day session could be limited. Information on how to order will also be provided.

For the yearbook pose, please follow our dress code requirements when selecting your attire. Senior boys should wear a collared dress shirt and senior girls need to wear dress clothes with sleeves at least elbow length and avoid any low necklines.

Please contact me with questions (740)657-5100 ext. 3196 or HR Imaging (740)369-4215.

Thank you,

Kari E. Phillips
The Bronze Bayonet Yearbook Adviser
